

**IOMSRA JUNIOR TRAINING COVID 19  
RISK ASSESSMENT.  
DATE 18/06/2020**

Potential Hazards	Action to take
Sharing off equipment and using the same squash balls.	Once equipment has been used by an individual, i.e. club goggles or rackets, these will be wiped down before an another individual uses them. Will have a bottle hand sanitiser at the courts and make it a requirement that every 30 mins in the session everyone needs to hand sanitise and if a match is played to hand sanitise after match. Squash ball will be wiped clean on each court at the end of every session.
Large numbers on courts in a small area.	Limit number on courts to only 5 people, this includes a coach if needed.
Contact tracing if needed.	Full register will be taken at everyone session, also up to date contact details form to be published to all parents to make sure all emergency contact details are correct.
